

Is your child missing any routine immunizations?

We can help you get caught up.

Check

Check your child's immunization record online to see if they are missing any vaccines:

www.smdhu.org/immsonline

Vaccinate

Contact your healthcare provider or the health unit to get any missing vaccines.

If your child cannot be vaccinated or you have chosen not to vaccinate, contact the health unit to file a valid exemption.

To book at a health unit clinic, visit:

<https://smdhu.inputhealth.com>

Update

Update your child's immunization record online:

www.smdhu.org/immsonline
